I know some things never change
But this can't be one of them
I don't think I can stand it
Any longer

Are you scared?
Are you scared?
Are you scared?
'cause if your scared
You're not alone

I once thought i was brave
But I can't stop crying

Sometimes I think im going crazy
But I am waiting patiently
Though I fear it will all be in vain

Are you scared?

Are you scared?
Are you scared?
'cause if your scared
You're not alone

I once thought i was brave
But I can't stop crying

Are you scared?
Are you scared?
Are you scared?
'cause if your scared
You're not alone

I once thought i was brave
But I can't stop crying
