We were young and soldiers called to dedicate our
lives
In the name of God and country
Do what's just boys, go do what's right
A hard band of brothers waiting on our chance
To add one more page onto the victory dance
Here am I, Lord send me, send me
Victory lies in the spirit of the lives of the men who died
for me

Well we stood upon the ramparts, and we fought to
save ourselves
But the price one pays for victory, Lord I know it all, I
know it all too well
And they may call us heroes, but only those who've
been will know
I would give my life for the man beside me
Just to bring my brother, yeah bring him home
Here am I, send me
Send me
Victory lies in the spirit of the lives of the men who died
for me

Yeah, send me
Yeah, send me
Send me
Oh, send me, Lord
Victory lies in the spirit of the lives of the men who died
for me

Father forgive us for we know not what we do
Father forgive us all we have been through, we band of
brothers
Yeah, we band of brothers

And now the bows have all been broken
And the warriors come home
But if they called again
Who would answer then, like my Daddy did
So many years before
Here am I, Lord send me
Send me

Victory lies in the spirit of the lives of the men who died
for me

Yeah, send me

Yeah, send me

Oh, send me

Oh, send me, Lord

Victory lies in the spirit of the lives of the men who died
for me

Send me

Oh, Lord send me

Oh, send me

Send me

Victory lies in the spirit of the lives of the men who died
for me

Hey, send me

Why don't you send me

Come on send me

Here am I, send me

Victory lies in the spirit of the lives of the men who died
for me

Oh, send me

Oh, send me

Oh, send me

Send me

Victory lies in the spirit of the lives of the men who died
for me

Oh, send me

Oh, send me

Come on send me
