So there  
You got me in your clutch again  
So there, so there

I felt your touch  
And that voodoo that you do so well  
has got me spinning round

So let me in your world  
Let me in your world for a while  
Let me in your world  
So I can sing to you

Oh, no, you got me going crazy, for you baby  
Say oh no, you make me go insane for you baby

So there  
You got me in your clutch again  
This, this living strange  
We count our feeligns in yesterdays  
But is that how you keep your clutch, baby?  
Is that how you keep it darling?

So let me in your world  
Let me in your world for awhile  
Let me in your world  
So I can sing to you

Oh no, you got me going crazy for you baby  
Oh no, you made me go insane for you baby

Oh, you got me in your clutch again.

Oh no, you got me going crazy for you baby  
Oh no, you make me go insane for you baby

Oh-oh-oh-woah-oh-oh

You got me  
you got me in your clutch
