Am I the king
of friction and heartache?
and the pain
is of no consequence
when I am
hell bent
my walls are closing in

Controlling me,
controlling me,
is losing me,
you're losing,
control of me, control of me,
you're losing

Am I awake
the morning star
that brings me here
says "everything in me
between pluto and god"
all is hell bent
my walls are closing in
I feel the claim

controlling me, controlling me,
is losing me, you're losing,
control of me, control of me,
you're losing, you're losing
control of me, control of me,
you're losing me then ooyeah
controlling me, controlling me,
yeah, said
naked, broken my world closing
and I can't find myself
or my way out hey

hey
la
ah ah ah

controlling me

controlling me
controlling me
you're losing me
say ooyeoh
ooyeoh
controlling me
ooh yeah

hell bent
my walls are
closing in
