Don't know if I want you to understand me  
Don't know if I want you to understand me  
Don't know if I want you to understand me or go

Don't know if I want you to see through me  
I confess this heavy heart has me on my knees  
Don't know if I want you to see through me or go  
Or go or go or go

'Cause it feels like  
Static, when you're here  
(Feels like)  
Static, when you're gone

(Feels like)  
Static, everywhere  
(Feels like)  
Static, every time

Love come and bless me, show me how it feels  
I've been here time before and it wasn't real  
Don't know if I want you to understand me or go

Can't blame you dove, when the blame is mine  
To love and let go was never the design  
Don't know if I want you to see through me or go

'Cause it feels like  
Static, when you're here  
(Feels like)  
Static, when you're gone

(Feels like)  
Static everywhere  
(Feels like)  
Static every time, every time

Even as my demons leave  
Unsure if I want you to see through me  
I don't know if I want you to understand me or go  
Let go

Go go, go go  
Go go, go go  
Go go, go go  
Go go, go go  
Go go, go go  
Go go, go go
