I don't need no nine mil' Glock  
These hands are deadly guns  
From smokin, drinkin, bein a thug  
I sip hpnotiq from a coffee mug  
I keep a healthy state of mind  
I only drink and drive night

I know karate,  
I know jujitsu,  
I drive lika gangsta  
When I'm comin' to see you (2x)

And I'm comin' to see you  
All the time  
I gotta bottle of cheap jug wine  
Pop some pills,  
And make some love,  
And try to recline, and  
I like to drive into the sun,  
I like it when you sittin' gun  
My singles out, it's number one

I know karate,  
I know jujitsu,  
I drive lika gangsta  
When I'm comin' to see you

I know karate,  
I got some mojo  
And holdin' hand ain't somethin' I do  
That's true

I know karate,  
I know jujitsu,  
I drive lika gangsta  
When I'm comin' to see you  
(See you, see you, see you)

My best girl ask me if she's the only one  
I gotta be blunt I say, "Hell yeah!" (3x)

Well my best girl ask me if she's the only one

I gotta be blunt I say...  
(What do you say?)

I know karate,  
I know jujitsu,  
I drive lika gangsta  
When I'm comin' to see you

I know karate,  
I got some mojo  
And holdin' hand ain't somethin' I do  
That's true

I know karate,  
I know jujitsu,  
I drive lika gangsta  
When I'm comin' to see you (2x)
