Love

Will make a high class fool - oh, takes

Your heart and break the rules.

Oh, touch your heart !

Oh, touch your soul !

Years

May come and years may go - oh, heart

Is high, heart is low.

It's strange, and sometimes it makes you blue

'Cause breaking up it's hard to do.

We are livin',

We are livin' in a Heartbreak Hotel !

I'm feeling there's no love you can save.

I'm shooting from my heart

Shadows of the dark:

We're livin' and we're lost without love !

We're living' in a Heartbreak Hotel !

Anyone who has a heart - oh, can tell:

The eyes of a child are weak and wild.

We are livin' in a Heartbreak Hotel !

Love

Will keep you always young - oh you

Have sorrows, you have fun.

Oh, touch your heart.

Oh, touch your soul.

More

You live the more you love - oh see

The stars in the sky above.

It's strange and sometimes it makes you blue

'Cause breaking up it's hard to do.
