Daytime friends and nighttime fools  
Oh, they're breaking golden rules  
Dreaming all their dreams come true  
Dreaming like the big guys do  
From a day in paradise  
And a life without a lie  
Little dreams can go a long, long way  
Don't stop this Hollywood nights  
Stand up and fight  
Ohoho, ohoho  
Hollywood nights  
Don't stop this Hollywood nights  
Know that it's right  
Ohohoh, ohoho  
Hollywood nights  
Dreams are more than a little wish  
Broken promises maybe you're reach  
There's a will and there's a way  
You'll bear the pain another day  
You can make it, if you try  
Don't give it up  
Oh baby, why ?  
Little dreams can go a long, long way
