Take, your chance for paradise
I'm looking in your eyes
You might be mine tonight
Yeah, I'm feelin' like a fool
'cause you still act so cool
Spend the night with me

I can lose my heart tonight
If you're lonely, feel alright
This is just the night for me and you

I can lose my heart tonight
Are you lonely deep inside ?
There is something in the air tonight

I can feel it everywhere
There's magic in the air
You might be mine tonight
Yeah, I feel so hypnotised
I feel like paradise
I see heaven in your eyes

Take me in your arms
Hold me close tonight
Take my heart away
Take me to the night
