Oh, baby you can see me on TV.
I know the hearts are mine !
Baby, baby in the light of mystery -
Oh, that's a good sign.
Baby, baby seek my heart in motion.
Baby, baby feel the deep devotion.
Baby, baby but my heart is feeding.
I know my heart's succeeding.

V.I.P. - they're calling me tonight
(V.I.P. - they're calling me tonight)
V.I.P. - your time is on my side
(V.I.P. - your time is on my side)
Baby, baby I'm living on airports.
Baby, baby, I'm going to New York.
Baby, baby, all my heart is burning.
I'm tossing and I'm turning.
V.I.P. - they're calling me tonight
(V.I.P. - they're calling me tonight)
V.I.P. - your time is on my side
(V.I.P. - your time is on my side)

Oh, baby do you see the magazines ?
Oh, that's so so fine !
Baby, baby right next to good James Dean,
I know the hearts are mine.
Baby, baby feel my vibrations !
Babe, I'm an overnight sensation.
Baby, baby but my heart is feeding.
I know my heart's succeeding.
