I'm a stranger here  
You have no heart of stone  
I'm feeling so alone  
I know what hell is  
Reach out - I'll be there  
Long as the rose is red  
Oh do not make me sad - in the mystic light  
Don't lose my number, hey  
I'll bet we hope again  
Oh, baby we hold the key  
Oh baby, come what may  
I get no guaranties  
Wild fire - is the name for love  
Wild fire - how can I get enough ?  
Do anything you wanna do  
Nights are forever without you  
Wild fire - I'm been born again  
Wild fire - come and be my friend  
Do anything you wanna do  
Nothing can take the place of you  
On the wings of love  
Good love can never die  
My hope is still alive  
Oh, I hate this lies  
Like a flame of love  
I know, babe, what to do  
'Cause I'm missing you - in the mystic light  
Don't treat me like a child - I'm almost lost my mind  
Time, babe, is on my side  
It's a loving kind
