You can be my lucky star tonight  
Baby, keep the fire burning bright  
Never say never  
When you're young and in love  
Never mean anyone  
Are you still dreaming  
Nothing can change when your love is gone  
Young and foolish tonight  
But never behave like a child  
You can be my lucky star tonight  
Baby, keep the fire burning bright  
If you win this time my heart  
We can make a brand new start  
You can be my lucky star tonight  
Baby, come on take me through the night  
Never say never  
There are times in your life  
You be wondering why  
Are you still dreaming  
Now, I give you a reason to start and try  
How can I live without love  
You are the one I'm dreaming off
