Been thinkin' about you in the sunshine
On a beach and bummin' around
Tho' I've been takin' all my chances
At discos and dances and ev'ry bar in town.
And I've been surfin' ev'ry mornin'
I have a party ev'ry night.
But I've been tryin' to live with out you
And thinkin' about you and girl it just ain't right.

Ju-Ju-Ju-Ju-Ju-Ju-Julie Anne like a fool
I ran away ran ran ran away.
I'm goin' home today.
And I want to stay there beside you
Ju-Ju-Ju-Julie Anne like a fool
I ran away ran ran ran away.

But I'm down on my knees and I'm beggin' you please

Oh
please
please say you'll forgive me Julie.

They got a record on the juke box
It nearly makes me want to cry
You always thought it was a cracker
The one by Sedaka 'bout a way to say goodbye.
I think about you when I'm lonely
I draw your picture in the sand.
So many little things remind me
I left you behind me it's hard to understand.

Ju-Ju-Ju-Ju-Ju-Ju-Julie Anne like a fool . . .
