I ain't ever going back again  
I'm happy in the place I'm in  
Surrounded by my best friends  
That I just met today

A toast to Sara and a toast to Sam  
Here's to jamming to this three quarter jam  
Let the world go on, I don't give a damn  
I ain't ever going back again

I'm gonna stay down here for the whole season  
And when the season's done, I still ain't leaving  
'Cause lately I've given up on making sense  
Out of life and love so I'm gonna stay  
And like The Band, I'm gonna drift away

I ain't ever going back again  
I'm feeling comfortable in my skin  
A little numb but I'm on the mend  
Yeah, I think I'm gonna be okay

A toast to Sheila and a toast to Jane  
I may never know their last names  
But it don't matter in the shape we're in  
I ain't ever going back again

I'm gonna stay down here for the whole season  
And when the season's done, I still ain't leaving  
'Cause lately I've given up on making sense  
Out of life and love so I'm gonna stay  
And like The Band, I'm gonna drift away
