Well in the town where I was raised,  
the clock ticked and the cattle grazed  
Time passed with amazing grace,  
Back where I come from

You can lie on a river bank,  
paint your name on a water tank  
Miscount all the beers you drank,  
Back where I come from

*[Chorus]*

Back where I come from  
Where I'll be when its said and done  
I'm proud as anyone  
That's where I come from

We learned in Sunday school,  
who made the sun shine through  
I know who made the moon shine too,  
Back where I come from

Blue eyes on a Saturday night,  
tan legs in the broad daylight

TV's they were black and white,  
Back where I come from

*[Chorus]*

Back where I come from  
Where I'll be when its said and done  
I'm proud as anyone  
That's where I come from

Some say it's a backward place,  
narrow minds on a narrow wage  
But I make it a point to say,  
that's where I come from

*[Chorus]*

Back where I come from  
Where I'll be when its said and done  
I'm proud as anyone  
That's where I come from

That's where I come from  
I'm an old Tennessean  
Well Im proud as anyone

That's where I come from
