I drank til I stumbled, I drank til I fell  
When the drunk part was over it hurt me like hell  
I know about drinkin, so I know one thing's true  
Being drunk is a lot like lovin' you

Cause I loved til I stumbled, I loved til I fell  
When the lovin was over it hurt me like hell  
Now I know what a taste of the wrong love can do  
Being drunk is a lot like lovin' you

And I've woke up some mornings and sworn off the  
drink  
At that I've done reasonably well I think  
But I haven't done well swearing off you and me  
At that I failed miserably

Well I felt the hangover of lovin all night  
I sat at the bar all alone in a fight  
I've bottled up feelings, and poured 'em out too  
Being drunk is a lot like lovin' you

And I've woke up some mornings and sworn off the  
drink  
And at that I've done reasonably well I think  
But I haven't done well swearing off you and me  
At that I failed miserably

Well I drank til I stumbled, I loved til I fell  
When the drunk part was over love hurt me like hell  
I know about drinkin, so I know one thing's true  
Being drunk is a lot like lovin' you

Though I know what a taste of the wrong love can do,  
Sometimes I still get drunk lovin you
