When I hear you voice my heart starts racin,
I think of you and theres no complainin,
Your everything to me and all I need,
I could never explain the way I feel,
About your love I know its real,
Your everything to me and all I need.

Your the only one I think about,
I love you more than life itself
I want to be with you for all my life,
When Im with you my lifes ok,
I love to see your pretty face,
Your everything to me and all I need

Please tell me if you feel the same,
If you do, I wont complain,
Girl, you make me feel all warm inside,
Do you love me the way I love you,
The love I feel I know its true,
Your everything to me and all I need,

Your the only one I think about,
I love you more than life itself
I want to be with you for all my life,
When Im with you my lifes ok,
I love to see your pretty face,
Your everything to me and all I need
