If you don't get in the water you're never gonna learn to swim

He said, "A snake is just as scared of you as you are of him"

He could tell by the moon when the fish would bite
Seems there was nothing that he didn't know
And as a kid I believed 'cause grandpa told me so

He talked daddy into letting me have my first car
I thought I was really something 'til Becky Thompson
broke my heart
That first taste of love nearly did me in getting over her
was slow
But I knew someday I would 'cause grandpa told me so

He said, "Life was made for you to live
The best love is the love that you give
There'll be times when you wanna hold on but you gotta
let go"
And I live by those words 'cause grandpa told me so

I promised him I wouldn't cry when it was his time to
leave
That's the only promise I made him I couldn't keep
He smiled from his bed and said, "We'll meet again
Somewhere down the road"
And I believe 'cause grandpa told me so

He said, "Life was made for you to live
The best love is the love that you give
There'll be times when you wanna hold on but you gotta
let go"
And I live by those words 'cause grandpa told me so

He said, "Life was made for you to live
The best love is the love that you give
There'll be times when you wanna hold on but you gotta
let go"
And I live by those words 'cause grandpa told me so

Yeah, and I still believe grandpa told me so
Grandpa told me so, I still believe

Grandpa told me so, I still believe
Yeah, I still believe
