There's a lot of ways of saying  
What I want to say to you  
There's songs and poems and promises  
And dreams that might come true  
But I won't talk of starry skies  
Or moonlight on the ground  
I'll come right out and tell you  
I'd just love to lay you down

Lay you down and softly whisper  
Pretty love words in your ear  
Lay you down and tell you all the things  
My woman loves to hear  
I'll let you know how much it means  
Having you around  
Oh, darlin' how I'd love to lay you down

There's so many ways your sweet love  
Made this house into a home  
You've got a way of doing  
Little things that turn me on  
Like standing in the kitchen  
In your faded cotton gown  
With your hair all up in curlers  
I still love to lay you down

Lay you down and softly whisper  
Pretty love words in your ear  
Lay you down and tell you all the things

My woman loves to hear  
I'll let you know how much it means  
Having you around  
Oh, darlin' how I'd love to lay you down

Now, When a whole lot of Decembers  
Are showin' in your face  
Your auburn hair has faded  
And silver takes it's place  
You'll be just as lovely and I'll still be around  
And if I can I know that  
I'd still love to lay you down

Lay you down and softly whisper  
Pretty love words in your ear  
Lay you down and tell you all the things  
My woman loves to hear  
I'll let you know how much it means  
Having you around  
Oh, darlin' how I'd love to lay you down

Oh, darlin' how I'd love  
Oh, darlin' how I'd love to lay you down...
