Well I built a million ravin beauties out of your make
believe
Hopin' my imagination might run away with me
Thought I'd picture every vision that a man could
dream about
Till you walked through those swing doors and stepped
down off that cloud

What's an angel like you doin' in my wildest dreams?
A walkin' talkin' lovin' fantasy
Did you come here tonight just to rescue me?
What's an angel like you doin' in my wildest dreams?

Well, I thought I died and went to Heaven when you set
down next to me
And I said to myself "this is too good to believe"
You look like you belong in a Sunday school choir
Instead of in this honky-tonk settin' me on fire

What's an angel like you doin' in my wildest dreams?
A walkin' talkin' lovin' fantasy
Darlin' did you come here tonight just to rescue me?
What's an angel like you doin' in my wildest dreams?

Are you just wishful thinkin'?
A figment of my mind
Well, I'll worry about that tomorrow
Right now, it's closin' time

What's an angel like you doin' in my wildest dreams?
A walkin' talkin' lovin' fantasy
Darlin' did you come here tonight just to rescue me?
What's an angel like you doin' in my wildest dreams?
What's an angel like you doin' in my wildest dreams?
