Lindy strolls around

Down main streets  
Down side streets

Makin his way through town he picks up pennies  
Saves 'em for a rainy day  
With callous feet he makes his way to see the sun sink  
in the bay

Lindy strolls around and around and around  
Around and around and around  
He plays piano at the church when nobody's watchin'  
Takes cigarettes from strangers and sometimes you  
see Him talkin' to  
himself, laughin' to himself  
Lindy strolls around and around and around  
Around and around and around

Lindy's seen it all  
Storms and hurricanes  
Some say he's insane  
No one knows his last name  
But I believe  
He's the salt of the Earth  
Just look past his dirty shirt and you will see just what  
he's worth

Lindy strolls around and around and around  
Around and around and around  
He plays piano at the church when nobody's watchin'  
Takes cigarettes from strangers and sometimes you  
see  
him talkin' to himself, laughin' to himself  
Lindy strolls around and around and around  
Around and around and around

Ooooh [2x]

He plays piano at the church when nobody's watchin'  
Takes cigarettes from strangers and sometimes you

see

Him talkin' to himself, laughin' to himself  
Lindy strolls around and around and around  
Around and around and around

Lindy strolls around and around and around

Ooooh [2x]
