Couldn't wait to turn sixteen and drive all the boys  
around  
Foot on the gas and hands on the wheel was all I could  
think about  
A little rust in the bed of that truck and a four-speed on  
the floor  
Five hundred dollars, it was mine all mine and I never  
wanted nothin' more.

I took Katie down by the river with a six dollar bottle of  
wine  
Just a fool tryin' to play it cool, hopin' she let me cross  
the line  
I was prayin' that she couldn't tell I never been that far  
before  
The first time, a one time feelin' and I never wanted  
nothin' more  
No, I never wanted nothin' more.

Chrous:  
Well I'm what I am and I'm what I'm not  
I'm sure happy with what I got  
I live to love and laugh a lot  
And that's all I need.

My buddies all tried to change my mind when I told  
them that I thought it through  
Well, Katie laughed and my mama cried when they  
heard me say "I do."  
A little ring is a little thing but it was all that I could  
afford  
Now she's mine, all mine till the day I die and I never  
wanted nothin' more.  
No, I never wanted nothin' more.

Chrous:  
Well I'm what I am and I'm what I'm not  
I'm sure happy with what I got  
I live to love and laugh a lot  
And that's all I need.

One sunday I listened to the preacher and I knew he  
was preachin to me  
I couldn't help it, I walked up front and got down on my  
knee  
Right then and there I swear I changed when I found  
the Lord  
Glory Haleluia, Good God Almighty and I never wanted  
nothin' more  
No, I never wanted nothin' more.

Chrous:

Well I'm what I am and I'm what I'm not  
I'm sure happy with what I got  
I live to love and laugh a lot  
And that's all I need.

Never wanted nothin' more  
And I never wanted nothin' more...
