I've been up to my neck workin 6 days a week  
Wearin holes in the soles of the shoes on my feet  
Been dreamin of gettin away since I don't know  
Aint no better time than now..for mexico

No shoes, no shirt, no problems  
Blues what blues..hey I forgot them  
The sun and the sand and a drink in my hand with no  
bottom  
And no shoes, no shirt, and no problems!  
No problems

Want a towel on a chair in the sand by the sea  
Want to look thru my shades and see you there with me  
Want to soak up life for a while  
In laid back mode  
No boss, no clock, no stress, no dress code

No shoes, no shirt, no problems  
Blues what blues hey I forgot them  
The sun and the sand and a drink in my hand with no  
bottom  
And no shoes, no shirt, and no problems

Babe lets get packed..tank tops and flip flops if u got  
them  
No shoes, no shirt, no problems  
No problems.
