She's got every quality  
From A all the way to Z  
It's easy to see she's the perfect girl

She's got every single thing  
That makes up my wildest dreams  
Sometimes I still can't quite believe  
She's holding me 'cause

She got it all of my heart, my soul, my wishes  
All of my love, my hugs, my kisses  
Everything that means anything at all

All of my life I've spent hopin'  
I could give someone such devotion  
Every sweet memory I can recall  
She's got it all

You know that I admit  
That someone to love like this  
Only existed in my prayers

Until I saw her face  
I knew I'd found the place  
Where I could keep my every faith  
Eternally 'cause

She got it all of my heart, my soul, my wishes  
All of my love, my hugs, my kisses  
Everything that means anything at all

All of my life I've spent hopin'  
I could give someone such devotion  
Every sweet memory I can recall  
She got it all

All of my life I've spent hopin'  
I could give someone such devotion  
Every sweet memory I can recall

All of my heart, my soul, my wishes  
All of my love, my hugs, my kisses

Every sweet memory I can recall  
She got it all  
She's got it all

She got it  
All of my heart, my soul, my wishes  
All of my love, my hugs, my kisses
