(feat. George Strait)

Shift work, hard work, tired body
Blue-collar shirt and a baseball cap
Union Made

He's hot, sweat drops, 'round the clock
Door never locks and the
Noise never stops
Night or day
Work seven to three
Three to eleven
Eleven to seven

Shift work, tough work for the busy convenience store
clerk
Two feet that hurt, going insane
She's mad at some lad
Drove off and didn't pay for his gas and he won't be
the last
'round the clock pain
Workin seven to three
Three to eleven
Eleven to seven

Talking about a bunch of shift work
A big ol' pile of shift work
Seven to three
Three to eleven
Eleven to seven
Well i worked, shift work,
Ten years man, i hated that work
then I made a break with the money i saved
It took me to the beach to have a beer by the edge of
the sea
And this 'round a clock place
I drank my money away
We partied
Seven to three
Three to eleven
Eleven to seven

I'm talking about a bunch of shift work
A big ol' pile of shift work
Seven to three
Three to eleven
Eleven to seven

[instrumental interlude]

Talking about a bunch of shift work
A big ol' pile of shift work
Seven to three
Three to eleven
Eleven to seven

Seven to three
Three to eleven
Eleven to seven
