Same ol' bedroom floor
Same ol' empty sheets
I hate this haunted bed
So down here's where I sleep

Tryin' to find a place
To hide what you have left
Some things never change
My heart hasn't yet

Well I don't wanna go out tonight
Yeah but I can't be alone
Standing underneath this broke streetlight
Can't somebody take me home
Can't somebody take me home

The hope that we had left
Wrapped around your ring
That river just rolled on by
When I watched it sink

Well I don't wanna go out tonight
Yeah but I can't be alone

Standing underneath this broke streetlight
Can't somebody take me home
Can't somebody take me ...

Out of this bar
Out of this heartache
Out of this town
That just keeps breakin' down
Keeps breakin' down ...

Well I don't wanna go out tonight
Yeah but I can't be alone
Standing underneath this broke streetlight
Can't somebody take me home

I don't wanna go out tonight
Yeah but I can't be alone
Standing underneath this broke streetlight

Can't somebody take me home
Can't somebody take me home
Won't you take me home
