If you're going out  
With someone new  
I'm going out  
With someone too

I won't feel sorry for me  
I'm getting drunk  
But I'd much rather be  
Somewhere with you

Laughing loud on a carnival ride, yeah  
Driving around on a Saturday night  
You made fun of me for singing my song  
Got a hotel room just to turn you on

You said pick me up at 3 a.m.  
You're fighting with your mom again  
And I'd go, I'd go, I'd go  
Somewhere with you, yeah

I won't sit  
Outside your house  
And wait for the lights  
To go out

Call up an ex  
To rescue me  
Climb in their bed when I'd much rather sleep  
Somewhere with you

Like we did on the beach last summer  
When the rain came down and we took cover  
Down in your car, out by the pier  
You laid me down, whispered in my ear

I hate my life, hold on to me  
Ah, if you ever decide to leave  
Then I'll go, I'll go, I'll go

I can go out every night of the week  
Can go home with anybody I meet  
But it's just a temporary high

'Cause when I close my eyes

I'm somewhere with you  
Somewhere with you

If you see me  
Out on the town  
And it looks like  
I'm burning it down

You won't ask  
And I won't say  
But in my heart I'm always  
Somewhere with you

Laughing loud on a carnival ride, yeah  
Driving around on a Saturday night  
You made fun of me for singing my song  
Got a hotel room just to turn you on

You said pick me up at 3 a.m.  
You're fighting with your mom again  
And I'd go, I'd go, I'd go

I can go out every night of the week  
Can go home with anybody I meet  
But it's just a temporary high  
'Cause when I close my eyes

I'm somewhere with you  
Somewhere with you  
Somewhere with you  
I'm somewhere with you

Somewhere with you  
Somewhere with you  
Somewhere with you
