If it weren't for kids have you ever thought  
There wouldn't be no Santa Clause  
Look what the store just brought  
Thank God for kids

And we'd all live in a quiet house  
Without big bird or a Mickey Mouse  
And cool-aid on the couch  
Thank God for kids

Thank God for kids there's magic for a while  
A special kind of sunshine in a smile  
Do you ever stop to think or wonder why?  
The nearest thing to heaven is a child

Daddy how does this thing fly?  
And a hundred other where's and why's  
You really don't know but you try  
Thank God for kids

When you look down in those trustin' eyes  
That look to you, you realize  
It's love that you can't buy  
Thank God for kids

Thank God for kids there's magic for a while  
A special kind of sunshine in a smile  
Do you ever stop to think or wonder why?  
The nearest thing to heaven is a child

And when you get down on your knees tonight  
To thank the Lord for his guiding light  
And pray they turn out right  
Thank God for kids

Thank God for kids
