Slide on over baby
Underneath this mistletoe
Here's a toast to us together
Let me wrap you in this bow.

I'm in the Christmas spirits
No, this one won't be blue
It's gonna be the best one ever
And it's all because of you, baby.

You're the angel at the top of my tree
Best present anybody ever gave me
I got it decorated, all lite up, gift's underneath
You're the angel at the top of my tree.

--- Instrumental ---

Let's put on that old movie
"It's a Wonderful Life"
'Cause curled up by the fire
It sure is true tonight.

Let's make a little candle
And the a little later on
We'll make a little love
To that old Bing Crosby song, baby.

You're the angel at the top of my tree
Best present anybody ever gave me
I got it decorated, all lite up, gifts underneath
You're the angel at the top of my tree.

--- Instrumental ---

You're the angel at the top of my tree
Best present anybody ever gave me
I got it decorated, all lite up, gifts underneath
You're the angel at the top of my tree.

Baby, you're the angel...
