Ain't nothing out here but me  
The Road and the Radio  
Looking for an exit  
And the song that I might know

Counting down the memories  
Adding up the miles  
Searching for a feeling  
I ain't felt in awhile

Clarity and inspiration  
Happiness is a destination  
That's hard to find  
It may take some time  
But in my mind there's something more  
And I'll open up a brand new door  
And find the strength to close the ones I left behind  
And I'll get there leaning on some friends I know  
The Road and the Radio

Spent the night in Carolina  
Got up early out of bed  
Bought a red bull and roadmap and an old Stones  
cassette  
Set my sights southbound  
No reason or rhyme  
Threw up a prayer just lookin'  
Just lookin' for a sign

And some Clarity and inspiration  
Happiness is a destination  
That's hard to find  
It may take some time  
But in my mind there's something more  
And I'll open up a brand new door  
And find the strength to close the ones I left behind  
And I'll get there leaning on some friends I know  
The Road and the Radio

But in my mind there's something more  
And I'll open up a brand new door  
And find the strength to close the ones I left behind

And I'll get there leaning on some friends I know  
The Road and the Radio
