With a voice, you could hear all the way to the rocky top
Play by play for thirty-one years it never stopped
We heard 20, 15, 10, and 5 your voice was our eyes
and we could see
Touchdown Tennessee

Quarterback rolled right, it was a long throw down field
to Willie Gault For a
second no one knew if it was caught
We heard 20, 15, 10, and 5 your voice was our eyes
and we could see
Touchdown Tennessee

Your voice painted us a picture of all the losses and the
wins
And it's so hard to imagine a game without your voice
again
Saying 20, 15, 10, and 5 your voice was our eyes and
we could see
Touchdown Tennessee

So thank you John what a run it's been fun for us all
All the way are hearts pounded when you called
20, 15, 10, and 5 your voice was our eyes and we could
see
Touchdown Tennessee

So thank you John
