Sun tanned toes ticklin the sand
Cold drink chillin in my right hand
Watchin you sleep in the evening light
Restin up for a long, long night

[Chorus:]

Cause when the sun goes down, we'll be groovin
When the sun goes down, we'll be feelin all right
When the sun sinks down over the water
Everything gets hotter when the sun goes down

All day long just takin it easy
Layin in the hammock where it's nice and breezy
Sleepin off the night before
Cause when the sun goes down, we'll be back for more

[Chorus:]

When the sun goes down, we'll be groovin
When the sun goes down, we'll be feeling alright
When the sun sinks down over the water
Everything gets hotter when the sun goes down

This old guitar and my dark sunglasses
This sweet concoction is smooth as molasses
Nothing to do but breathe all day
Until the big moon rises and it's time to play

[Repeat chorus]
