She hit the door, 6:55  
Sack full of groceries split down the side  
Canned goods scattered all the way to the curb  
Look on her face sayin "don't say a word"  
So it's me and her and a can of beans  
Sittin there on the front porch swing  
A western sky all turnin red  
Head on my shoulder, she sighed and said

I've been gopher and chauffer and company chairman,  
Coffee maker, copy repairman  
Anymore there ain't nothin I swear man  
That I don't do  
I been jugglin, strugglin, closin big deals  
Dancin backwards in high heels  
Just when it feels like I can't make it through  
She said, it sure is nice to just be the woman with you

She said, the girl I was with a business degree  
Probably wouldn't recognize me  
I was gonna run the bank, I was gonna run the map  
Now all I wanna run is a bubble bath  
Back then, ya know, I had this plan  
Before all this reality set in  
Here comes life, boy, ready or not  
Hey, I wanted it all and that's what I got

Cuz I'm gopher and chauffer and company chairman,  
Coffee maker, copy repairman,  
Anymore there ain't nothin I swear man  
That I don't do  
I've been jugglin, strugglin, closin big deals  
Dancin backwards in high heels  
Just when it feels like I can't make it through  
She said, it sure is nice to just be the woman with you

She said, I'm gopher and chauffer and company  
chairman,  
Coffee maker, copy repairman,  
Anymore there ain't nothin I swear man  
That I don't do

I been jugglin, strugglin, closin big deals  
Dancin backwards in high heels  
Just when it feels like I can't make it through  
She said, it sure is nice to just be the woman, the  
woman with you  
The woman with you
