[Chorus]

Give me just one more sip of that worry b gone

I'm planning on feelin' much better before too long
Got a world of trouble, that I need to forget
I'm on my way, but I ain't there yet

[Chorus]

Give me just one more sip of that worry b gone

Everywhere I look, trouble is all I see
Can't listen to the radio, I can't stand TV
I've got trouble with the air, trouble with the water
People ain't treating one and other like the other

[Chorus]

Give me just one more sip of that worry b gone

Don't wanna hear no preacher preachin'
No more politician bitchin'
All those songs about love gone wrong,

Got me wonderin' where my baby's gone

Well I can't suffer for wastin' my time
Don't give me no advise that rime

[Chorus]

Just give just one more puff of that worry b gone

Don't wanna hear no preacher preachin'
No more politician bitchin'
All those songs about love gone wrong,
Got me wonderin' where my baby's gone

[Chorus]

Give me just one more hit of that worry b gone

[Chorus]

Yeah, give me just one more sip of that worry b gone

[Chorus]

Give me just one more puff of that worry b gone
