"Making Moves"

Visit "[Making Moves](#)" on MotoLyrics.com

Hey C-Murder who you hang with?
Say little Kevin boy you know I only make moves with
thugs
Nigga nigga nigga what
Make moves with thugs, nigga nigga what
I make moves with thugs, ghetto niggas feel me

[C-Murder]

I wake up in the morning and grab my gat
Re-cock my shit before I grab my hat
Then I page my niggas Fiend and Mac
'cause we be strapped like the men in black
And uhh one time don't bother me
Already payed my dues for a robbery
Just cashed a check for 200 G's
Left them hoes alone to pursue my dreams
I told them haters don't play no games
Got a bunch of bout it mother fuckers screamin' my
name
Left the life of crime for the life of rhyme
With every move I make it's bulletproofs with nines
You don't wanna go to war with me
I got Big Man and Baz with me
Just some more thug niggas ridin' with me
'cause makin' moves with thugs is a high
Makin' moves with thugs

(Chorus)(2X)

You know the deal (nigga soliders and thugs)
This thugs for real (makin' moves with thugs)
We packin' steel (i'm makin' moves with thugs)
In cabs we peel (makin' moves with thugs)

[Master P]

How many niggas wanna ride with me
How many thug niggas and bitches wanna get high
with me
Don't cry for me, just ride for me, 187, 211 is a robbery

I hang with killers and dealers thug niggas and
bangers
See 3rd world niggas keep one in the chamber
Don't play no games boo 'cause this shit be real
I roll with young niggas that be hard to kill
I gave Kate Wang gold, bobby and jimmy
Big V, big token nigga watchin' they enemies
Throw up they soldier rag if you bout it bout it
'cause us thug (3rd world) niggas livin' be rowdy rowdy
Hennessy and weed when we smokin' and jokin'
I mean nigga nigga when we token it's open
Nigga we gone ball take a fall nigga
'cause me and C-Murder biggest thug of 'em all nigga

(Chorus)(4X)

You know the deal (nigga soliders and thugs)
This thugs for real (makin' moves with thugs)
We packin' steel (i'm makin' moves with thugs)
In cabs we peel (makin' moves with thugs)
