Thinkin' back in time when love was only in my mind
I realize ain't no second chance
You've got to hold on to romance, don't let it slide
There's a special kind of magic in the air
When you find another heart that needs to share

Baby, come to me, let me put my arms around you
This was meant to be and I'm oh so glad I found you
Need you ev'ry day, gotta have your love around me
Baby, always stay 'cause I can't go back to livin' without
you

Spendin' ev'ry dime to keep you talkin' on the line that's
how it was
And all those walks together out in any kind of weather
Just because, just because there's a brand-new way of
looking at your life
And when you know that love'll be standing by your
side

Baby, come to me, let me put my arms around you
This was meant to be and I'm oh so glad I found you
Need you ev'ry day, gotta have your love around me
Baby, always stay 'cause I can't go back to livin' without
you

The nights can be cold
There's a chill to ev'ry evenin' when you're all alone
Don't talk anymore
'Cause you know that I'll be here to keep you warm,
keep you warm

Baby, come to me, let me put my arms around you
This was meant to be and I'm oh so glad I found you
Need you ev'ry day, gotta have your love around me
baby, always stay
'Cause I can't go back to livin' without you

Baby, come to me, let me put my arms around you
This was meant to be and I'm oh so glad I found you
Need you ev'ry day, gotta have your love around me
Baby, always stay 'cause I can't go back to livin' without

you

Let me be the one that you are dreamin' of
Baby, come to me, I'm giving all you love
Oh no more pain come to me give me all your love
Let me be the one that you are dreamin' of
