I feel so unsure  
As I take your hand and lead you to the dance floor  
As the music dies, something in your eyes  
Calls to mind the silver screen  
And all those sad good-byes

I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool

Should've known better than to cheat a friend  
And waste this chance that I've been given  
So I'm never gonna dance again  
The way I danced with you

Time can never mend  
The careless whispers of a good friend  
To the heart and mind, ignorance is kind  
There's no comfort in the truth  
Pain is all you'll find

I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool

Should've known better than to cheat a friend  
And waste this chance that I've been given  
So I'm never gonna dance again  
The way I danced with you

We could have been so good together  
We could have made this last forever  
But no one's gonna dance with me  
Please stay, stay, stay, stay

I can't pretend no more  
Know you're not a fool to cheat a friend  
The way I danced with  
I'm never gonna dance  
I'm never gonna dance again

I'm never gonna dance again
