I've been around this world  
I've been a lot of places  
Seen a million faces  
In a thousand times

But when I looked into your eyes  
I knew I found heaven  
And I've been wanting to tell you  
I never want to let you go

It may be winter in Eden  
But what I'm feeling is summer in my heart

Is it too familiar  
To say I love you  
Would you be suspicious  
If I asked your name, tell me

What would it take  
To really convince you  
That I'm gonna love you  
Even if my heart would break

Seen a better day  
I can feel it coming  
I can hear it coming  
In the winter night

'Cuz you turned this man  
Into a true believer  
When you left your traces  
On that moonlit night

It may be winter in Eden  
But when I'm with you, with you, it's summer in my  
heart

Is it too familiar  
To say I love you  
Would you be suspicious  
If I asked your name, tell me

What would it take  
To really convince you  
That I'm gonna love you  
Even if my heart would break

It may be winter in Eden  
But when I'm with you, with you, it's always summer in  
my heart

So let the mountains tumble  
Tumble to the sea  
Let the rivers overflow  
It won't bother me

Let the stars go out tonight  
'Cuz I can see them in your eyes  
I'm gonna love you  
Even if my heart would break

Is it too familiar  
To say I love you  
Would you be suspicious  
If I asked your name, tell me

What would it take  
To really convince you  
That I'm gonna love you  
Even if my heart would break

Even if my heart would break  
I'm gonna love you  
Even if my heart would break  
I'm gonna love you

Let the stars go out tonight  
'Cuz I can see them in your eyes  
And I'm gonna love you  
Even if my heart would break

Even if my heart would break  
Even if my heart would break  
Even if my heart would break  
Even if my heart would break  
I'm gonna love you  
Even if my heart would break

Even if my heart would break  
Even if my heart would break  
Even if my heart would break  
Even if my heart would break
