Girl, it's been a long, long time comin'  
[Incomprehensible]  
But I, I know that it's been worth the wait, yeah  
It feels like springtime in winter  
It feels like Christmas in June  
It feels like heaven has opened up its gates for me,  
yeah and you, yeah

And everytime I close my eyes  
I thank the Lord that I've got you, yeah  
And you've got me too

And everytime I think of it  
I pinch myself 'cause I don't believe it's true, yeah  
That someone like you loves me too, yeah

Yeah, yeah, yeah

Girl, I think that you're truly somethin' as you are  
And you're, you're every bit of a dream come true,  
yeah  
With you, baby, it never rains and it's no wonder  
The sun always shines when I'm near you  
It's just a blessing that I have found somebody like you

And everytime I close my eyes  
I thank the Lord that I've got you, yeah  
And you've got me too

And everytime I think of it  
I pinch myself 'cause I don't believe it's true, yes  
That someone like you loves me too

To think of all the nights I've cried myself to sleep,  
yeah  
You really oughtta know how much you mean to me  
It's only right that you be in my life right here with me  
Oh baby, baby, yeah

And everytime I close my eyes  
I thank the Lord that I've got you, baby  
And you've got me too, baby

And everytime I think of it  
I pinch myself 'cause I don't believe it's true  
That someone like you loves me too, yeah

Loves me too
