To see what condition my condition was in)
(mickey newbury)

(yeah, yeah, oh-yeah, what condition my condition was
in)

I woke up this mornin' with the sundown shinin' in
I found my mind in a brown paper bag within
I tripped on a cloud and fell-a eight miles high
I tore my mind on a jagged sky
I just dropped in to see what condition my condition
was in

(yeah, yeah, oh-yeah, what condition my condition was
in)

I pushed my soul in a deep dark hole and then I
followed it in
I watched myself crawlin' out as I was a-crawlin' in
I got up so tight I couldn't unwind
I saw so much I broke my mind

I just dropped in to see what condition my condition
was in

(yeah, yeah, oh-yeah, what condition my condition was
in)

Someone painted april fool in big black letters on a
dead end sign
I had my foot on the gas as I left the road and blew out
my mind
Eight miles outta memphis and I got no spare
Eight miles straight up downtown somewhere
I just dropped in to see what condition my condition
was in

I said I just dropped in to see what condition my
condition was in
Yeah yeah oh-yeah
