Verse 1:

I can remember, the day we met  
I still remember our first french kiss  
The moment when I knew that you, would make sweet  
love to me  
The moment that I knew, you'd always be the one, one,  
I'd be dreaming of

Chorus:

Twas was a long time ago, when we fell in love  
And even longer ago, when we both were young  
But it's nice to know, that as we grow old  
That our love still shines like gold

Verse 2:

Baby, I can remember the way, the way that we  
laughed  
And you, you were my lover and girl, my best friend  
And its crazy I would go through the ups and downs  
Our feelings never change, knowing in my heart, you'll  
always be the one, one  
I'll be dreaming of

Chorus:

Twas was a long time ago, when we fell in love  
Even longer ago, when we both were young  
But it's nice to know, that as we grow old  
That our love still shines like gold  
There just ain't no place like home

Chorus:

Ohhhhhhh  
Twas was a long time ago, when we fell in love  
Even longer ago, when we both were young  
But it's nice to know, that as we grow old  
That our love still shines like gold, gold, gold

Repeat Chorus
