"For You"

For you I give a lifetime
Of stability, anything
You want of me, nothing is
Impossible

For you there are no words
Or ways to show my love
Or all the thoughts I'm
Thinking of
'Cause this life is no good
Alone since we've become
One I've made a change
Everything I do now makes
Sense, all roads end, all I do is for you

For you I share the cup of
Love that overflows and
Anyone who knows us knows
That I would change all
Faults I have
For you there is no low or
High or in between of my Heart that you haven't seen

'Cause I share all I have
And am, nothing I've said's
Hard to understand
And all I feel I feel
Deeper still and always
Will and all this love is
For you

Every note that I play,
Every word I might say
Every melody I feel
Are only for you and your
Appeal
Every page that I write,
Everyday of my life wold Not be filled without the
Things
That my love for you now
Brings

For you I'd make a promise
Of fidelity, now and for
Eternity
No one could replace
This vow
For you I'd take your hand
And heart and everything
And add to them a wedding
Ring
'Cause this life is no good
Alone,
Since we've become one
You're all I know
And if this feeling should
Leave I'd die and here's
Why
All I am is for you

Everything I do now makes
Sense, all roads end
All I do is for you
