Can we find forgiveness
In the throws of our misunderstanding or do we fall
apart
Can we find forgiveness
Or do we go on like this trying to cover up a broken
heart

I made a mistake and I wanna know
Can you ever forgive me or do we go
Down in the flames of a broken love

If I ever really meant much to you
Then it wouldn't make sense for you to
Turn your back and walk away from us

What about me? What about you?
What about love? What do we do?
What of my heart? What of my needs?
I'm asking you now, begging you, please tell me

Can we find forgiveness
In the throws of our misunderstanding or do we fall
apart
Can we find forgiveness
Or do we go on like this trying to cover up a broken
heart

I wonder has there ever been anyone
To go as far as we've come
And never mention of a hurting thing

This episode before us
Shouldn't overcome what we've got
So let's move on and get to better days

For all we know we could be the best
Well never know don't take the chance
So from today let's take a vow
Whatever was wrong, is over right now, will you forgive
me

Can we find forgiveness

In the throws of our misunderstanding or do we fall
apart
Can we find forgiveness
Or do we go on like this trying to cover up a broken
heart

Can we find understanding
Can we find or do we go

Tell me now, will we let this go
I need to know please tell me so
I've dedicated all my love to you, don't let it end tonight

Can we find forgiveness
In the throws of our misunderstanding or do we fall
apart
Can we find forgiveness
Or do we go on like this trying to cover up a broken
heart

Can we find forgiveness
In the throws of our misunderstanding or do we fall
apart
Can we find forgiveness
