Lord, I want to thank You
For every good thing comes from You
And with the gifts You gave me
I wanna tell the world how much I love You

'Cause I'm Yours forever, Lord, a living sacrifice
And on my journey, Lord, I want You to lead me
Then I know everything will be all right

Lord, I won't ever forget whose I am
Lord, I won't ever forget

Some want to be rich and famous
I just wanna remain in Your favor
When much is given, much is required
I don't mind, I'm gonna be used for Your service

'Cause I'm Yours forever, Lord, a living sacrifice
And on my journey, Lord, I want You to use me
Then I know everything will be alright

Lord, I won't ever forget whose I am
Lord, I won't forget

I won't ever forget, I won't
I won't ever forget, I won't forget

No, no, I love You too much, Lord
No, no, You've given me love I can't forget
You've given me joy
No, I won't, I won't ever forget, ever forget
