Never too busy
I'm never too busy for you, babe
Never too busy, no

I've got things on my mind
I'm not too busy for you, I'm not too busy
If you're feeling alone
I'm not too busy for you, I'm not too busy

Girl, when we first started
We were spending all our time together in love
Now we're growing on
And you're afraid of losing me, don't be

I've got a heart full of love even though I might not
show it
Girl it's you I dream of and just so you know it
You have my attention, anything you need at all
I'll be there when you call me

I've got things on my mind, takin' my time, but I'm
I'm not too busy for you, I'm not too busy
If you're feeling alone, just pick up the phone, 'cause I
I'm not too busy for you, I'm not too busy

We used to dream that one day
We'd have everything we want, oh yeah
But now that things are movin'
I hope that we don't move apart
You still have my heart

I've got so much to do, but girl it doesn't matter
But when it comes down to you I can't think of nothing
better
Every time I'm stressin', I find that it's a blessin' to
To be hearin' from you

I've got things on my mind, takin' my time, but I'm
I'm not too busy for you, I'm not too busy
If you're feeling alone, pick up the phone and call me,
'cause I
I'm not too busy for you, I'm not too busy

Whenever you need me

I've got things on my mind, I'll be taking time
I'm not too busy for you, I'm not too busy
If you're feeling alone and I'll come running just to be
with you, baby
I'm not too busy for you, I'm not too busy

I've got things on my mind, I'll be making time
I'm not too busy for you, I'm not too busy
I've got so much on my mind and
I don't mind taking time for you, for you
I'm not too busy for you, I'm not too busy

Never too busy
I'm never too busy for you, babe
Never too busy
Never too busy for you, girl

Never too busy
I'm never too busy for you, babe
I'm never too busy for you, girl

I've got things on my mind
I'm not too busy for you, I'm not too busy
If you're feeling alone
I'm not too busy for you, I'm not too busy

I've got things on my mind
I'm not too busy for you, I'm not too busy
