I look at you all see the love

there that's sleeping

While my guitar gently weeps

I look at the floor and I see it

needs sweeping

Still my guitar gently weeps

I don't know why nobody told

you how to unfold your love

I don't know how someone

controlled you

They bought and sold you

I look at the world and I notice

it's turning

While my guitar gently weeps

While every mistake we must

surely be learning

Still my guitar gently weeps

I don't know how you

were inverted

No one alerted you

I look at you all see the love

there that's sleeping

While my guitar gently weeps

Look at you all...

Still my guitar gently weeps
