I can't tell you about the future
I wouldn't even swear about the past
One thing I know for certain
That's when your heart stops hurting
Fallin' in love, caught up with me at last

Always knew it would, never had it so good
Now my time's arrived and I'm glad I'm alive
I feel like a love today and it won't fade away
In my heart I know it's right
By the way that I'm sleepin' at night

People say that, "Love ain't easy"
Find a little love and let it dawn
One thing I know for certain
It'll make your heart stop hurtin'
Fallin' in love, caught up with me at last

Always knew it would, never had it so good
Now my time's arrived and I'm glad I'm alive
I feel like a love today and it won't fade away
In my heart I know it's right

I was out there, all on my own
And just a smile is all I was after
And then you filled my world up with a laughter
What a wonderful life
I never saw it so beautiful
What a wonderful life
Wonderful life

Always knew it would, never had it so good
Now my time's arrived and I'm glad I'm alive
I feel like a love today and it won't fade away
In my heart I know it's right

Always knew it would, never had it so good
Now my time's arrived and I'm glad I'm alive
I feel like a love today and it won't fade away
In my heart I know it's right

Baby, baby, baby, baby, baby, baby

You're my wonderful life
