A vision,  
A flash of light  
A gift we were given  
Within each others dreams  
We lived in the gardens of Avalon

Together  
Believed that we could live there forever  
Then it faded away  
Forgetting we wondered to far from the land we'd  
known

Chorus:  
Of all the lonely people  
You're among the lucky few  
If it comes even once in a life  
Love is a lesson hard to learn  
It's never as easy to return  
But if you're willing to go on  
you'll find the way back to Avalon... (Avalon)

They had it  
It wasn't far away or imagined  
He held her in his arms  
And we planned it all  
The towers of Avalon

They warned him  
He only turned around for a moment  
And everything had changed  
He noticed the sun on her face as she looked away

Chorus:  
All the lonely people  
You're among the lucky few  
If it comes even once in a life

And love is a lesson hard to learn  
It's never as easy to return  
But if you're willing to go on  
You'll find a way back to Avalon

Bridge:

And when you come know the miracle it's mystical  
and someone else's heart is in your hands  
I learned to late now I must try and find a way back  
home

Chorus:

Here is a lesson hard to learn  
It's never as easy to return  
But if you're willing to go on  
You'll find a way back to Avalon... (Avalon)

We've gotta go back  
Someday we'll get back  
(Avalon)  
We gotta get it back  
(Avalon)  
We gotta get it back  
(Avalon)  
Somebody tell me a way  
Somebody tell me a way  
(Avalon)  
Ohhhhhh... Avalon  
We've got to go back
