I found your picture in an old coat
And the ghost stirred deep inside
All this time and I still feel the cold
From the madness in my pride

I don't know why you ended it that way
I would've thought that you would tell me to my face

Color me blue on blue
Color me sadness without you
Color me blue on blue
And I will wear it well, I will wear it well

Painted someone from a vision
You set the future in his eyes
I know that wasn't how you pictured me
You stole my hope, and now I'll never know why

Two hearts who began to beat as one
I guess you scared yourself and now you're on the run

Color me blue on blue
Color me sadness without you
Color me blue on blue
And I will wear it well, yes, I will wear it well
I will wear it well

Blue on blue on blue

Two hearts who began to beat as one
I guess you scared yourself and now you're on the run

Blue on blue, paint me a picture
Blue on blue
Blue on blue, paint me a picture
Blue on blue

Color me blue on blue
Color me sadness without you
Color me blue on blue
And I will wear it well, I will wear it well

Color me blue on blue
Blue on blue on blue
Color me blue on blue
Blue on blue on blue

Color me blue on blue
Blue on blue on blue
Color me blue on blue
Blue on blue on blue
