Well, I love, love you, darling, come and go with me  
Come on with me way beyond the sea  
'Cause I need you, darling, so come go with me

Come, come, come, come, come into my heart  
And tell me darling, we will never part  
'Cause I need you, darling, so come go with me

Yes, I need you, yes, I really need you  
Please say you'll never leave me  
You promised me forever but you really never  
You never give me a chance

Come, come, come, come, come into my heart  
And tell me darling, we will never part  
'Cause I need you, darling, so come go with me, yeah

Yes, I need you, yes, I really need you  
Please say you'll never leave me  
You promised me forever but you really never  
You never give me a chance

Love, love you, darling, come and go with me  
Come on with me way beyond the sea  
'Cause I need you, darling, so come go with me  
Come and go with me, come and go with me
